Special Limited Editions of Dodge Viper SRT10, Dodge SRT4 and Dodge Ram SRT10

May 23, 2005, Auburn Hills, Mich. - Chrysler Group's Street and Racing Technology (SRT) has introduced three 2005 Commemorative Edition SRT vehicles to celebrate the excitement, power and performance of three of the hottest production vehicles on the road today.

Limited-edition models of the 2005 Dodge Viper SRT10, 2005 Dodge SRT4 and 2005 Dodge Ram SRT10 will feature distinctive paint schemes of blue "dual-fang" racing stripes over a white body color. Every SRT Commemorative Edition vehicle will include unique interior features, a numbered plaque and a special limited-edition SRT book.

"SRT vehicles are in a class by themselves," said Dan Knott, Director – Street and Racing Technology, Chrysler Group. "These commemorative editions of the Dodge Viper SRT10, Dodge SRT4 and Dodge Ram SRT10 offer our customers even more exclusivity. And similar to all of our SRT vehicles, these will offer benchmark performance at the lowest price."

Honoring more than a dozen years of outrageous street performance and championship wins, the Commemorative Edition 2005 Dodge Viper SRT10 is offered with a Stone White exterior and dual Viper Blue stripes. The interior features blue accent stitching on the shift knob and boot, parking-brake boot, steering wheel and floor mats. The Commemorative Edition package for the Dodge Viper SRT10 is priced at \$4,550 over the vehicle's MSRP.

Fun, affordable and fast, Dodge SRT4 is a sport-compact tuner car available right from the factory, and is the fastest production car for under \$22,000. The Commemorative Edition Dodge SRT4 also features a Stone White exterior enhanced with Electric Blue stripes. Inside, blue accent stitching is on the seats, floor mats, steering wheel and shift boot. Stainless steel door-sill plates complete the Dodge SRT4 Commemorative Edition package, which is priced at \$1,600 over MSRP.

The Commemorative Edition Dodge Ram SRT10 features Bright White exterior paint with Electric Blue stripes. Interior enhancements include blue stitching on the seats, shift boot, shift knob and steering wheel. Floor mats are embroidered in matching stitching with the SRT10 logo.
