Jeep® Grand Cherokee SRT Red Vapor Makes European Debut at Paris Motor Show 2014

October 2, 2014, PARIS - The 2014 Paris Motor Show kicks off its two-week run with press days on October 2-3. Making its European debut is the Jeep® Grand Cherokee SRT Red Vapor, a limited edition of the high-performance Grand Cherokee SRT version, the fastest and most powerful Jeep model to ever be made. It features an aggressive look as demonstrated by the 20 in. five-spoke "Goliath" wheels with black chrome finish and the various glossy black "SRT," "Jeep" and "Grand Cherokee" badges.
