Jeep® Renegade Trailhawk and Limited Debut at the 2016 Beijing Auto Show

April 25, 2016, Beijing - The locally produced Jeep® Renegade Trailhawk and Limited debuted at the 2016 Beijing Auto Show in China. The Renegade is produced at the new Guangzhou plant of GAC Fiat Chrysler Automobiles Co., Ltd. (GAC FCA) and will be available in China with a 1.4-liter Turbo engine and a 2.0-liter Tigershark engine. The Jeep Renegade joins a lineup in China that includes the Jeep Cherokee, Grand Cherokee, Wrangler and Wrangler Unlimited.
