International Media Experienced the All-new Jeep® Compass

March 6, 2017, San Antonio - Media from all parts of the world experienced the all-new Jeep® Compass in San Antonio, Texas, in Feb. 2017. The new Jeep compact SUV expands the brand's global reach with an unmatched combination of attributes that includes legendary and best-in-class 4x4 off-road capability, premium and authentic Jeep design, superior on-road driving dynamics, open-air freedom, and a host of innovative safety and advanced technology offerings. With 17 fuel-efficient powertrain options for markets around the world, the all-new Jeep compass will be built in four countries for consumers all around the globe.
