Jeep *Yuntu* Concept Debuts at 2017 Shanghai Auto Show

April 20, 2017, Shanghai - The Jeep *Yuntu* Concept is a vehicle created for the 2017 Shanghai Auto Show, to target the tastes of Chinese customers. This new concept includes futuristic exterior design, flexible interior and a plug-in-hybrid powertrain. SUVs are the fastest-growing segment in China and the Jeep *Yuntu* Concept showcases the potential for the Jeep brand to keep expanding in the country.
