

## **FCA US Ships 10,000th Officer Protection Package for Law Enforcement**

- Designed to alert officers of the threat of rear ambush when parked and working in their vehicle
- Offered free of charge on all 2019 Dodge Charger Pursuit vehicles
- Third year for program – first offered in 2017
- Engineered for “plug and play” installation

August 2, 2018, Auburn Hills, Mich. - More than 10,000 [Dodge Charger Pursuit](#) police sedans across the U.S. are now equipped with the Officer Protection Package thanks to an alliance between FCA US LLC and InterMotive, Inc.

The Officer Protection Package combines InterMotive's Surveillance Mode Module™ with FCA's Fleet Safety Group technology – ParkSense rear park assist system and ParkView rear backup camera – to alert officers when movement at the rear of the vehicle is detected.

“The Officer Protection Package is the latest layer of safety to be built into our Charger Pursuit,” said Steve Beahm, Head of Passenger Car Brands, Dodge//SRT, Chrysler and FIAT – FCA North America. “We knew it was the right thing to do for all the men and women who protect us on a daily basis, and we are gratified to know that over 10,000 of these heroes now have a better chance of avoiding rear ambush occurrences. I'm also pleased to announce that we will continue to offer this package free of charge on our 2019 model-year Dodge Charger Pursuits.”

If the system detects motion, a chime will sound to alert the officer of potential danger in the area. The officer can immediately see what is behind the vehicle via the camera monitor. At the discretion of the local law enforcement agency, the tripped sensors can also be programed to automatically initiate any or all of the following: a signal for the doors to lock, front windows to roll up, reverse lights to turn on and tail lights to flash, giving the officer a few critical extra seconds to assess and react to the situation.

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge shifts into high gear with a lineup that delivers unrivaled performance in each of the segments in which the brand competes while moving forward to a future that includes electrified muscle in the form of the next-generation, all-new Dodge Charger.

The next-generation Dodge Charger electrifies a legend, with the Charger retaining its title as the world's quickest and most powerful muscle car led by the all-new, all-electric 2024 Dodge Charger Daytona Scat Pack. The all-new Dodge Charger will also offer performance choices via multi-energy powertrain options including the 550-horsepower Dodge Charger SIXPACK H.O., powered by the 3.0L Twin Turbo Hurricane High Output engine.

Dodge also keeps its foot on the gas as a pure performance brand with the 710-horsepower Dodge Durango SRT Hellcat, the most powerful SUV ever, and best-in-class standard performance in the compact utility vehicle segment with the Dodge Hornet.

Dodge is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit [www.stellantis.com](http://www.stellantis.com).
