The Teaser Trail to Easter Jeep Safari 2022 - Trail Marker 2

March 10, 2022, Auburn Hills, Mich. - Iconic off-roading spots like the historic Rubicon Trail and the backcountry scenic trails of Moab, Utah, are where rock-climbing SUV legends are born. Twenty years ago, the Jeep® brand introduced the most capable production vehicle of its time. Now, the newest Easter Jeep Safari Jeep concept celebrates the legendary 4x4 capability that continues to drive the Jeep brand and defy performance boundaries, decade after decade.
