2006 New York International Auto Show

April 11, 2006, New York -

2007 Jeep® Patriot

The Jeep brand continues its expansion into untraveled territory with the 2007 Jeep Patriot. This all-new compact sport-utility vehicle (SUV) delivers fun, freedom, utility and best-in-class Jeep 4x4 capability, as well as a new entry-level price point for the Jeep brand.

2007 Jeep® Wrangler Unlimited

Featuring a one-of-a-kind, four-door open-air design, the all-new 2007 Jeep Wrangler Unlimited expands the Jeep experience to new dimensions. With room for five adult passengers — a Wrangler first — and the most cargo space ever offered in a Wrangler, the Unlimited combines class-leading off-road capability with everyday practicality.

2007 Chrysler 300 Long Wheelbase

It will soon take just a bit longer than usual to linger over the Chrysler 300. Chrysler Group announced that a new model — the 2007 Chrysler 300 Long Wheelbase — will be on display at the New York International Auto Show, in the Jacob K. Javits Center, April 14-23 in New York City.

Video replay of Chrysler Group's world premieres at the 2006 New York International Auto Show (Windows Media Player required):
